There is interesting news in Hunt's ad today. Elish Self has filed a petition in the Circuit Court praying for a divorce from his wife, Bessie Self.

Miss Myra Duke, niece of Mrs. John T. Wilson, who recently returned from Florida, is greatly improved in health.

N. E. Gilkison, an Aberdeen fisherman, caught a yellow cat this morning that weighed 75 pounds. The big fish was caught in a net opposite his home in the upper end of town.

A new line of Gold Crosses and Bead Neck Chains just received. They are the very latest. We have marked them at prices bound to make them popular.

P. J. MURPHY, the Jeweler.

Be sure and kick the first old hat you see lying in your path—a brick is liable to be hidden under it. If not that, pick up the fat pocketbook you will probably stumble over, and find it stuffed with paper. All are subject to being fooled on the 1st of April.

Elsewhere in this impression of THE LEDGER is the announcement of Mr. John L. Chamberlain as a candidate for Police Judge of the city at the November election. Mr. Chamberlain, long connected with the legal fraternity, is in every way qualified for the place and would fill the office with credit to himself and the city.

Two of the leading students in the great school of Lexington, Va., Washington-Lee University, are Maysville boys—Laurance, son of Captain C. M. Phister, and Lee—Wright, son of Mr. Edward P. Browning. Mr. Browning is to be valedictorian at the annual commencement, and Mr. Phister is promoted to one of the four captaincies of the school and is also manager of the foot ball team. Both young gentlemen are handsome and chivalrous and consequently are exceedingly popular with the fair sex.

CORYELL—STRODE.

Mr. Paschal Coryell, aged 56 years, and Mrs. Jessie Strode, aged 51 years, both of Orangeburg, will be married April 5th, at the home of the officiating Minister, Rev. James S. Ward, in Fleming county.

MRS. ANN ALEXANDER.

Mrs. Ann Alexander, the venerable mother of ex-Sheriff John W. Alexander of Limestone street, died yesterday afternoon at 4 o'clock at her home near Lewisburg with cancer of the breast, aged 87 years and 10 months. Her husband, William Alexander, preceded her to the grave 23 years ago.

For forty-five years she had been a devout and consistent member of the Lewisburg Baptist Church.

In all the relations of life she was exemplary—charitable and kind to her neighbors, a loving wife and devoted mother.

She was the oldest native of Lewisburg.

She leaves one son, Hon. John W. Alexander, of this city, the only living member of the family.

The funeral will take place tomorrow at 10 o'clock, sun time, from her late home with services by Rev. Butler.

Interment in Maysville Cemetery.

In deference to the deceased there will be no morning service at the Lewisburg Baptist Church.

MRS. NANCY C. CHANDLER.

Mrs. Nancy C. Chandler, widow of W. M. Chandler, and sister of the late Prof. B. F. Williams of this city, died yesterday morning at 7 o'clock at her home in Mt. Olivet and will be buried tomorrow at 11 a. m. in the Maysville Cemetery.

She was 62 years of age and a devout member of the Christian Church.

Six children survive her—M. F. and Dr. W. S. of Mt. Olivet, Prof. W. R. of Mayfield, B. B. of Minerva, T. V. of Salem, Mass., and Mrs. Noah Thomas of Georgetown.

You can't afford to miss Hunt's ad.

For Sale—Six good workhorses. Apply to G. W. Pollitt, East Second street.

Captain Louis Schatzmann of THE LEDGER is ill at his home in East Second street.

Mrs. Alice Evans, wife of Rev. Joseph Evans of Limestone street, who has been ill for some time, is much better.

A new stock company with C. C. Cole as President; M. V. Rostain, Vice-President; George A. Straus, Secretary; John N. Ross, Treasurer, has been organized at Carlisle for the erection of a new and modern up-to-date electric light plant to cost not less than \$15,000. Work has begun and light is promised in sixty days, barring serious accidents.

Mayville regrets the fact that she is about to lose one of her best known young men. Mr. Asa B. Dawson, who now travels for the National Biscuit Company, has about completed arrangements for a partnership with Joe Neal of Portsmouth to engage in the wholesale and retail tea and coffee business in the Ohio city. They are now looking for a suitable location and it is probable the new firm will shortly open for business.

Board of Education

The Board of Education met in regular monthly session at the High School Building last night, with President C. L. Sallee in the Chair. Present—Sallee, Taylor, Yazell, Hutchins, Schwartz, Poyntz, Russell, Calvert, Ryd r and Dawson.

It had been reported on the street that there would be "something doing" at this meeting, and Mr. Russell started the ball to rolling by moving to elect the Superintendent of Schools at a salary of \$1,250, an increase of \$250 over last year. Judge Hutchins seconded this motion.

The Chair ruled that the Board had not specifically provided for the election of a Superintendent, and that the motion was out of order, as the By-Laws fixed the regular meeting in May in each year for the election of teachers.

Mr. Schwartz then had the Secretary read the By-Law concerning a Superintendent, which provided for the election of a Principal of the High School at a salary of \$1,000, and who should be ex-officio Superintendent, teaching one-half of his time and visiting the schools the remaining one-half.

Mr. Russell then moved to suspend the By-Laws and proceed to elect a Principal of the High School, who should be ex-officio Superintendent. Mr. Taylor moved to amend this motion by suspending the By-Laws and electing all of the present teachers, both white and colored, at same salaries now paid them. Upon a ye a and nay vote the motion and amendment were both lost.

It was stated that one reason for wanting to elect the ex-officio Superintendent at this meeting was that the schools needed overhauling, and that the teachers in the High School Building were only engaged in teaching one-half of their time. This led to a long drawn-out discussion that was enlivened by some spirit displayed by all of the participants. The meaning of it all finally came out like the tempest in the teapot, and it was developed that the teachers in the High School Building, upstairs and downstairs, were engaged one-half of the time in hearing recitations and the remainder of the time was consumed by "study periods."

Mr. Schwartz thought more tuition from non-resident pupils ought to be collected.

The following teachers were elected Census Enumerators and salary fixed at \$10 each:

First Ward—Prof. Clarence Martin.
Second Ward—Prof. D. S. Clinger.
Third Ward—Prof. J. A. Mitchell.
Fourth Ward—Miss Florence Wilson.
Fifth Ward—Prof. W. T. Berry.
Sixth Ward—Prof. George H. Turnipseed.

The census enumeration of the Colored Schools was given to Prof. Reynolds and compensation fixed at \$20.

An amendment to change the By-Laws, fixing April instead of May as the time for holding the election of teachers, under the rules lies over one month before it can be voted upon. If it carries all the teachers will hereafter be selected in the month of April.

The Finance Committee was requested to ask the City Council to provide by levy for school funds for next year.

The Commencement was touched upon, but no action was taken.

Have you read Hunt's ad?

Miss Elizabeth Winston McGinn, youngest daughter of the late Rev. J. B. McGinn of Versailles, formerly of this city, and Mr. J. L. Taylor of Kansas City will wed Wednesday, April 5th, at the home of the sister of the bride-to-be, Mrs. John R. Pates, in Richmond.

It is rumored in Lexington that a Democratic daily newspaper will be published in that city by a stock company with a capital of \$25,000. Judge James Hargis, Alex. Hargis and Ed. Callahan, in the Lexington Jail awaiting trial for complicity in the assassination of James Cockrill at Jackson, are said to be the financial backers of the enterprise.

Ray's Grip and Cold Cure is guaranteed.

Augusta citizens, through Mr. B. F. Ginn, have added a neat donation to the Caleb Powers Defense Fund.

Spring brings need time for dainty muslin under garments and every beauty-lover will delight in the artistic and broad provision we have made for that want. Every garment is exquisitely made of reliable well known brands of Muslin, Cambric and Nainsook. The trimmings are plain and hemstitched tucks, good laces, substantial embroideries—no showy, shoddy adornments to shame the wearer and to come in shreds and patches from the laundry. Our Formal Opening of Paris and New York Hats

On Thursday, Friday, Saturday In Our New Millinery Saloon, Market Street Annex.

A complete revolution of styles marks the advent of dozens of Paris hats. Not in years, not since the early days of our mothers, have styles taken so sudden a plunge into utterly changed fashions. It is as though we had slumbered since the sixties and awakened now to find ourselves again in the sixties. Hats are simple, fascinating, not much trimmed, not loaded down with much gew-gaws; trimmings are mostly flowers, so real that they seem to have just been gathered. But the CHARM of the hat really lies in the TILT and ANGLE at which it is worn. This tilt gives the woman that sort of "venez-y-voir," fascinating, bewitching air that, whether they confess it or not, the feminine gender likes to have. WE BOUGHT AN ENTIRE LINE OF PARIS HATS, the Real Things, besides many hundred New York models. We also purchased nearly 1,000 beautiful flowers for trimming at less than half price; also, over 300 Baby Caps at a great sacrifice.

A HAT GIVEN AWAY. DON'T FORGET TO REGISTER.

LA GRIPPE—PNEUMONIA

So many people who have apparently recovered from an attack of La Grippe are stricken with Pneumonia. This is due to the fact that the Bronchial Tubes and Lungs are left weakened and unable to resist disease.

FOLEY'S HONEY AND TAR

not only cures La Grippe Coughs, and prevents Pneumonia, but strengthens the Lungs so they will not be susceptible to the development of serious lung troubles. Do not take chances with some unknown preparation that may contain some harmful drug when FOLEY'S HONEY AND TAR costs you no more and is safe and sure. Contains no opiates.

I had a bad case of La Grippe about ten years ago which left my Lungs so weak that I have been troubled more or less every winter since until I used FOLEY'S HONEY AND TAR, which cured me completely and my Lungs no longer trouble me.—J. H. BROWNING, D.D.S., Orrick, Mo.

G. VACHER, 157 Osgood St., Chicago, says: "My wife had a very severe case of La Grippe, and it left her with a very bad cough. She tried a bottle of FOLEY'S HONEY AND TAR and it gave immediate relief."

The 50c bottles contain two and one-half times as much as the small size and the \$1.00 bottles almost six times as much.

ABERDEEN'S VIEWS

In the Controversy Over Wharfage Charges at That Place

The Aberdeen Correspondent of The Cincinnati Post says: The City Council at a recent meeting requested the Cincinnati, Pomeroy and Charleston Packet Company, of which line Capt. Green is manager, to pay a wharfage of \$12 a month, the four boats of the line to land at Aberdeen as often as they want to. This was the rate paid by the White Collar Line. Since the steamboats have ceased landing here Cincinnati firms are heavy losers. Aberdeen merchants buy their goods from Maysville wholesale houses, and are not depending on any packet companies. The Aberdeen Council and citizens in general are up in arms over the statement made to The Post by Capt. Green.

Insanity, Death or Health?

No. 207 Locust Street, St. Louis, Mo., March 22, 1905.

I was a victim of sleeplessness and extreme nervousness for eighteen months, unable to get a proper night's rest and feeling tired and worn out continually. I was easily irritated and hysterical at the slightest provocation, but my line of Cardui gave me great relief. Within a week after I began using it I had my first real good night's rest that I had had for months. My appetite was soon restored, my general system toned up and nervousness became a thing of the past. I am so pleased to acknowledge the great curative merit of your health giving medicine and gladly endorse it.

Harriet O. Best
CHAPLAIN, LADIES OF HONOR, No. 77.

WINE of CARDUI

We want to call your attention to the complete and immediate relief Mrs. Best secured by taking Wine of Cardui. Within a week after she began taking Wine of Cardui, Mrs. Best had her first good night's rest for eighteen months. Her restlessness was caused by nervousness and Wine of Cardui, as the best menstrual regulator, has no superior in the world as a medicine to soothe a woman's nerves. Nervousness and hysteria are warnings of the approach of insanity and if relief is not secured the end can only be the asylum or the grave. With such an outlook as this before her, no suffering woman can reasonably refuse to give Wine of Cardui a trial. It brings a cure that thousands of women have sought for in vain. Will you secure a bottle of Wine of Cardui today and start treatment? All druggists sell \$1.00 bottles Wine of Cardui.

Free Corn for Seed!

On Monday, April 3d, 1905, Mason County Court Day, I will give to the farmers of Kentucky and Ohio, whose farms are located outside of Maysville, ten ears of seed corn, a part of the corn that was exhibited at the Tobacco Fair February 22d, 1905. In order to get this corn it will be necessary for you to cut this advertisement out and write your name and address in the blank place below arranged for that purpose, bring to my office, No. 215 Court street, any time after 9 o'clock of that day. Those who come first will be sure to be accommodated. This is said to be the finest corn ever exhibited. Don't ask for more than ten ears because you will be refused. This is sufficient to give you a fine start for seed corn next year. Remember, you can get either white or yellow as long as the supply lasts. No conditions are imposed upon you, but every farmer is requested to make preparation for an exhibit of corn, wheat, potatoes and tobacco at the Fair which will be held next February.
